

MEET TOMORROW'S STEM LEADERS

VOLUNTEER AS A COMPETITIVE
EVENT JUDGE AND INVEST IN
OREGON'S FUTURE WORKFORCE

JOIN US THIS APRIL

Oregon TSA brings the top TSA members from across the state to compete for their chance to advance to the national level of competition. As a competition judge, you will help choose the students who will represent Oregon at the National TSA Conference in Orlando, FL! All judging will be done in person.

In-Person: Wednesday, April 17, 2024
Oregon State Leadership Conference (SLC)
Blue Mountain Community College
Boardman, OR

REGISTER TODAY

OREGON

TECHNOLOGY STUDENT ASSOCIATION

Career opportunities in STEM are at a monumental high, but applicants often lack the leadership skills and real-world experience to succeed in the workplace. Through strategic partnerships with industry leaders, Oregon TSA enhances STEM students' personal development, leadership, and career opportunities and provides the chance for students to apply what they have learned in the classroom to solution-oriented projects.

HOW STUDENTS COMPETE

FALL | SELECT

Students choose from four competitive event categories: Dragster Design, Fashion Design and Technology, Technology Problem Solving and VEX Robotics.

WINTER | PRACTICE

Using skills learned in the classroom, students prepare for competition by studying, preparing their materials, practicing, and sometimes competing at the region level.

SPRING | COMPETE

Students advancing to state competition will put their skills to the test at the SLC. As a judge, you will meet TSA's best and brightest members as they present the projects they have been working on all year.

SUMMER | SHOWCASE

Oregon's top winners will head to National TSA Conference to compete for a winning spot on the International stage.

WHY JUDGE?

RECRUIT

Meet your future workforce and talent pool.

PUBLICIZE

Showcase your organization to the state's top students and educators.

SERVE

Give back and contribute to the community through service hours.

INVEST

Mentor and help develop the next generation of STEM leaders.

FREQUENTLY ASKED QUESTIONS

■ WHAT QUALIFICATIONS DO I NEED?

Only a willingness to see students succeed! If you have specific skills that can be useful in judging, please let us know and we would love to find the right events for you!

■ WHAT TYPE OF EVENTS WILL I JUDGE?

TSA has four competition event categories at SLC: Dragster Design, Fashion Design and Technology, Technology Problem Solving and VEX Robotics. You will have the opportunity to select the event you wish to judge through the sign-up form.
