A LEGACY OF INNOVATION

STATE LEADERSHIP CONFERENCE

CAREER AND LEADERSHIP PROGRAM

Keynote Speaker

Tammy Krawczyk | Dean of Workforce Development & Community Education | BMCC

Tammy retired after 30 years from a community college in Texas and now resides in Hermiston. After moving to Oregon, Tammy joined the staff at Blue Mountain Community College as the Dean of Workforce Development & Community Education. Her career focus is the field of Career and Technical Education.

Workshop Presenters:

Tami Pelles | Early College Credit Coordinator | BMCC

TSA MEMBERSHIP AND BEING COLLEGE READY!

Are you interested in saving money on college tuition? Are you taking advantage of dual credit opportunities offered on your campus? Have you thought about how you can best use organizations like TSA to help you get into college? This workshop provided by Blue Mountain Community College staff will address these questions and more to help provide you with tools and tricks to become college ready!

Oregon TSA State Officer Team

GEAR YOUR OFFICER TEAM UP FOR GREATNESS!

Do you know how to increase the productivity of your team? There are five key components of leadership to focus on that will ensure sustainable efficiency. The Oregon TSA State Officer Team will teach you these components and more in the Communication and Leadership Development Training. Be prepared to work in teams of three and learn how poor communication can affect your team, and why it's essential to improve communication to make your team happier, healthier, and more productive.
